

## Approved Active Cooling Container

Each active cooling container shall be internally approved by Condor. The list shows the approved container for Condor aircraft.

If you wish to get your container approved contact [cargo.ops@condor.com](mailto:cargo.ops@condor.com).

| Product Name    | Manufacturer                      |
|-----------------|-----------------------------------|
| Envirotainer    | RAPe2 140010R-A                   |
| Envirotainer    | RAPe2 140010R-B                   |
| Envirotainer    | RLP 160020R, 160020R-A, 160020R-1 |
| Swiss Airtainer | RKN 0120-C90d                     |
| CSAFE           | RKN                               |
| CSAFE           | RAP                               |
| DoKaSch         | Opticooler RAP                    |
| DoKaSch         | Opticooler RKN                    |
